

WEB SLINGERS

A SPIDER-MAN ADVENTURE

3 Embark on an action-packed adventure alongside the amazing Spider-Man! When Peter Parker's helpful but otherwise buggy Spider-Bots get stuck in replication mode and escape from a WEB Workshop, Spider-Man must stop the Spider-Bots before they wreak total techno-havoc across Avengers Campus. Problem is, they're rapidly leveling up and becoming tough to beat!

WEB TECH

Heroes assemble! With WEB Tech, you can use the power of your favorite super hero to personalize your experience aboard WEB SLINGERS: A Spider-Man Adventure—or suit up for an epic adventure at home! Stop by WEB Suppliers to choose from iconic super heroes.

SPIDER-BOTS

Command and customize your own Spider-Bot! These friendly sidekicks can be operated with a remote control, have eight motorized legs – and can even battle with each other!
